

## NOTICE TO MUSEUM CONSULTANTS

The City of Hastings, Nebraska is hereby soliciting statements of qualifications and experience from qualified consultants for Museum development projects at Hastings Museum. The Hastings Museum is going to begin Concept Development and Schematic Design of its Second floor exhibit area. The project finishes with the Exhibit Design for three key exhibits: Introductory exhibit of prehistory from the Paleozoic thru the Late Pleistocene, Kool-Aid (invented in Hastings), and the Naval Ammunition Depot (one of three in the USA). The CIP and supporting documents are available for view, upon request, at the Hastings City Engineering Offices or the NDOT Division of Aviation.

### HASTINGS MUSEUM SECOND FLOOR RENOVATION

#### Request for Qualification

December 4, 2019

**The main objective** of this RFQ is to gather information from interested exhibit design firms. The Hastings Museum is looking for designers suited to be a part of Phase I, the overall floor plan, and theme of the Museum's second floor exhibits; and then the exhibit design of three key exhibits: Kool-Aid, the Naval Ammunition Depot and the Cretaceous Sea/Fossils within that floor plan.

The Contract Documents are on file at the Office of the City Clerk of Hastings, 220 N Hastings Avenue, Hastings, Nebraska 68959 or by visiting the City of Hastings Website: [www.cityofhastings.org/bids](http://www.cityofhastings.org/bids).

**Proposals should be addressed to:** Kim Jacobitz, City Clerk-220 N. Hastings Avenue, Hastings, NE 68901

**Questions regarding this project should be addressed to:** Rebecca Matticks, Museum Director- (402) 461-2396 or email- [rmatticks@HastingsMuseum.org](mailto:rmatticks@HastingsMuseum.org)

Interested firms should submit three copies of their statement of qualifications and experience along with references to the following address, no later than **4:00 p.m., Tuesday, January 14, 2020**
