

HASTINGS UTILITIES WATER DEPARTMENT

Rain Sensor / Smart Sprinkler Rebate

Hastings Utilities encourages the use of technologies that prevent overwatering your yard, such as rain sensors and water saving smart sprinkler controllers. These technologies can significantly reduce the amount of water used to irrigate. New systems and retrofitted systems are both eligible for the rebate.

For rain sensors, the first sensor installed (most residential systems will only need one up to \$75 is available as a rebate. One some commercial, or larger residential systems, more than one sensor may be required. After the initial rebate amount (\$75), for each additional device required a rebate amount of \$35 will be made, up to a maximum of nine additional devices.

For Smart Sprinkler Controllers, up to \$75 is available as a rebate. Limit of one rebate per household/applicant.
