

REBATE GUIDELINES

1. Applications will only be processed if fully completed and signed. Work must first be approved by the Natural Resource District in which the septic tank is located. Once completed, return your application and documentation to safewater@hastingsutilities.com or mail to Hastings Utilities, Wellhead Protection Rebates, PO Box 289, Hastings, NE 68902.
2. LOCATION: Septic tank and leach field abandonment must be within the Hastings Wellhead Management Area.
3. SUPPORTING DOCUMENTATION: Sales receipt(s) or invoice(s) showing the service and labor has been done by a licensed contractor. The date must be included. Include this documentation in the application.
4. ISSUING INCENTIVES: Decommissioning must be done before an incentive is issued. Falsifying any information may lead to cancellation of this and future reimbursements.
5. ELIGIBILITY: Applicant must be a Unites States Citizen (required per LB403).

REBATE AGREEMENT

I hereby certify that: (1) the information and attachments contained in this application is accurate and complete; (2) all rules of this rebate application have been followed; and (3) I have read and understand terms and conditions applicable to this rebate program as outlined under the Rebate Guidelines.

I agree to verification of equipment, monitoring, and/or sampling which may include a site inspection by a program or utility representative. I agree to indemnify, defend, hold harmless and release Hastings Utilities from any claims, damages, liabilities, costs and expenses (including attorneys' fees) arising from or relating to the removal, disposal, installation or operation of any equipment or related materials in connection with the programs described in this application, including any incidental special or consequential damages.
