HASTINGS UTILITIES WATER DEPARTMENT

Soil Sampling Cost-Share Application

This program is intended to provide cost assistance for crop land soil sampling analyses performed within the Hastings Wellhead Protection Area. Soil analyses provide vital information, such as Nitrate levels, for the proper management and safeguarding of the underground water supply.

Hastings Utilities will rebate 50% of the costs up to $500 dollars per field per year.

REBATE GUIDELINES

1. Applications will only be processed if fully completed and signed. Once completed, return your application and copy(s) of proof-of-purchase to safewater@cityofhastings.org or mail to Hastings Utilities, Soil Cost-Share, PO Box 289, Hastings, NE 68902.

2. Limit four (4) fields per producer. All rebates are provided on a *FIRST COME FIRST SERVED* basis and subject to availability of funding.

3. LOCATION: Land being sampled must be within the Hastings Wellhead Management Area.

4. PROOF OF PURCHASE: Include a copy of soil sampling results & invoice(s) with this application.

5. SAMPLING: Applicant agrees to conduct soil sampling in accordance with all applicable rules and regulations of the Natural Resource District (NRD).

6. ISSUING INCENTIVES: Falsifying any information may lead to cancellation of this and future reimbursements.

7. ELIGIBILITY: Applicant must be a Unites States Citizen (required per LB403).

REBATE AGREEMENT

I hereby certify that: (1) the information and attachments contained in this application is accurate and complete; (2) all rules of this rebate application have been followed; and (3) I have read and understand terms and conditions applicable to this rebate program as outlined under the Rebate Guidelines.

I agree to verification of equipment, monitoring, and/or sampling which may include a site inspection by a program or utility representative. I agree to indemnify, defend, hold harmless and release Hastings Utilities from any claims, damages, liabilities, costs and expenses (including attorneys' fees) arising from or relating to the removal, disposal, installation or operation of any equipment or related materials in connection with the programs described in this application, including any incidental special or consequential damages.
