

HASTINGS UTILITIES WATER DEPARTMENT

Well Abandonment Incentive Program

This program is intended to provide cost assistance for water production wells. Unused and improperly abandoned wells pose a threat to groundwater.

Hastings Utilities will rebate 75% of the costs not reimbursed by Regional Natural Resource District (NRD), up to \$200 dollars for one rebate *per* applicant. Rebates will only be issued during the program year of proper well abandonment and application submittal.

Additional Comments Concerning Decommissioning:

DIAGRAM 2: Sketch the location of the well before decommissioning. *****NOTE: Show North Arrow.***

Signature of Licensed Contractor: _____ Date: _____

REBATE GUIDELINES

1. Applications will only be processed if fully completed and signed. Work must be done by a licensed well driller and must first be approved by the Natural Resource District in which the well is located. Once completed, return your application and documentation to safewater@cityofhastings.org or mail to Hastings Utilities, Wellhead Protection Rebates, PO Box 289, Hastings, NE 68902.
2. LOCATION: Water production well that is being decommissioned must be within the Hastings Wellhead Management Area.
3. SUPPORTING DOCUMENTATION: Sales receipt(s) or invoice(s) showing the service and labor has been done by a licensed contractor and invoice paid by NRD, if applicable. The dates must be included. Include this documentation in the application.
4. RIGHT TO SAMPLE: Hastings Utilities is granted access and rights to obtain water samples from all wells owned and/or operated by the applicant.
5. ISSUING INCENTIVES: Decommissioning must be done before an incentive is issued. Falsifying any information may lead to cancellation of this and future reimbursements.
6. ELIGIBILITY: Applicant must be a Unites States Citizen (required per LB403).

REBATE AGREEMENT

I hereby certify that: (1) the information and attachments contained in this application is accurate and complete; (2) all rules of this rebate application have been followed; and (3) I have read and understand terms and conditions applicable to this rebate program as outlined under the Rebate Guidelines.

I agree to verification of equipment, monitoring, and/or sampling which may include a site inspection by a program or utility representative. I agree to indemnify, defend, hold harmless and release Hastings Utilities from any claims, damages, liabilities, costs and expenses (including attorneys' fees) arising from or relating to the removal, disposal, installation or operation of any equipment or related materials in connection with the programs described in this application, including any incidental special or consequential damages.
