

Stay in the Know with the Utilities Department

Take Advantage of Savings

The Hastings Utilities Department has a number of options to help you save money when it comes to making energy-efficient upgrades to your home.

Whether you're looking for local rebates for electric heat pumps or rain sensors, or state and federal incentives for things like energy-efficient appliances, you can find all these resources in one convenient location.

Visit hastingsutilities.com and click on the "Rebates and Incentives" icon to learn more.

Share the Warmth in the New Year

We're still in the thick of Nebraska's colder months, and our Share the Warmth program can provide emergency help to keep homes safe and warm.

To donate to the program, fill out the form at hastingsutilities.com or directly at <https://bit.ly/2X1vsk8>. 100% of your donation will go to the Salvation Army to be distributed to those who need assistance with their winter utility bill. To inquire about receiving assistance, contact the Salvation Army directly at 402-463-0529 to see if you qualify.

Electronic Waste Collection Event

The Hastings Solid Waste Landfill is holding an electronic waste collection event in March for residential households.

Who: Residents in Adams County (Households only; no businesses/schools/government entities)

What: Bring unwanted electronic items to be recycled

Where: Solid Waste Landfill at 725 S. Southern Hills Drive

When: March 25 from 8 a.m. to 4:45 p.m., and March 26 from 8 a.m. to noon

Additional Details: Limited quantities will apply. For more information, contact the Landfill at 402-463-0705. The event is funded by a Nebraska Department of Environment and Energy Waste Reduction and Recycling Incentive grant.
