December 2025

At Hastings Utilities, we wish you a happy holiday season! We're honored to be your utility provider and look forward to continue providing reliable and dependable service in the new year!

The Hastings Utilities Department and a collection of local nonprofits are teaming up again this year to keep families warm all winter long. The Share The Warmth program is back and provides financial assistance from Dec. 1 to April 30.

The program provides security to those in the community who may be unable to afford their utility bill during the colder months. The program was designed in coordination with The Salvation Army, Catholic Social Services and Community Action Partnership of Mid-Nebraska. It was specifically tailored to assist the following people:

- Individuals 60 years of age or older
- Individuals with disabilities
- Anyone experiencing unusual needs

How to apply

If you need funds to assist you with your utility bill, please contact the Salvation Army directly at (402) 463-0529.

To qualify, applicants must be a Hastings Utilities Department customer with a delinquent bill or a disconnect notice in the applicant's name from their current residence.

Applicants must be experiencing economic hardship and have a verifiable need.

How to donate

Share The Warmth donations can be given year-round. To donate, Hastings Utilities customers can fill out the form at hastingsutilities.com or directly at bit.ly/2Xlvsk8; or use the accompanying QR Code. Share the Warmth donations are completely voluntary. Donors can also give at our customer-service office.
