Subject: Notification of Assessment Monitoring Program per CCR Rule 257.94(e)(3)  
WEC Temporary Ash Disposal Area

The Whelan Energy Center (WEC), operated by Hastings Utilities, is located at 4520 East South Street, Hastings, Nebraska in Adams County approximately two miles east of the City of Hastings. The WEC Temporary Ash Disposal Area is an existing unlined CCR surface impoundment of approximately 23.2 acres and serves the two fossil fuel combustion units of the WEC.

As required in the CCR Rule, PPGA will initiate an assessment monitoring program for the WEC Temporary Ash Disposal Area meeting the requirements of CCR Rule §257.95.
