

E3 Service Application

E3 stands for Excite-Explore-Excel. Its purpose is to provide a variety of books to preschool classrooms and daycares that will *Excite* kids about reading by expanding their current interests and creating new ones; to encourage them to *Explore* their world and the worlds that stories can take them to; and to help them *Excel* in their education now and in the years to come. Each tote is catered to the age and curriculum of the class and packed with an assortment of easy readers, picture books, non-fiction, and book/cd kits, and is delivered every two weeks.
